L : Iraq - Baghdad

A brief over view of me

A filmmaker, senior video editor, and videographer with over eight years of industry experience. I have the ability to direct short films and possess comprehensive knowledge of all aspects of advertising and creative production, from filming to editing. Highly skilled in using modern equipment and technologies, I combine artistic sensibility with the ability to transform ideas into captivating visual content. I aim to make a meaningful impact on the fields of videography and creative production in Iraq.

Programs I work on

Adobe programs | Ai Ps Ae Pr
